River Road Asset Management hires Allen F. Harris

River Road Asset Management, LLC (“River Road”) has hired Allen F. Harris for the role of Associate Equity Research Analyst. Mr. Harris has relocated from Birmingham, AL.

Prior to joining River Road, Mr. Harris worked as a research associate at RFG Advisory supporting the sourcing of new managers and the portfolio construction process. “We are delighted to welcome Allen to the River Road team,” said River Road President & CEO, R. Andrew Beck. “His professional experience should serve to enhance the firm’s current research capabilities.”

Mr. Harris received his bachelor of arts in economics from Yale University. Mr. Harris has passed Level II of the CFA program.

***River Road Asset Management, LLC** is an institutional asset management firm based in Louisville, KY. The firm specializes in value-oriented equity investment management. With more than \$7 billion in total assets¹ (as of November 30, 2018), River Road provides institutional separate account and investment sub-advisory services to a broad range of domestic and international clients.*

River Road’s strategies are available to retail investors through mutual funds offered by AMG Funds. River Road is majority owned by Affiliated Managers Group Inc.

For additional information, please visit the company’s website at www.riverroadam.com.

¹Total assets combine River Road’s (1) firm assets under management (as defined by GIPS®) and (2) model portfolio assets (no control over implementation of investment decisions and no trading authority). \$2.43 billion of total assets are model portfolio assets invested in River Road strategies. Total assets provided as supplemental information.
