River Road Asset Management hires Benjamin T. Brady

LOUISVILLE, KY – March 25, 2019 – River Road Asset Management, LLC (“River Road”) announced today that Benjamin T. Brady has been hired as Vice President, Business Development. Mr. Brady will be responsible for managing institutional client, consultant, and advisory relationships.

“Ben is a highly talented professional with a demonstrated ability to build relationships across a variety of channels,” said River Road CEO Andrew Beck. “Through his experience at AMG Funds and Aston, Ben has a deep knowledge of our Absolute Value® philosophy and investment strategies. I have no doubt that his expertise will be an incredible asset to our team, emphasizing our commitment to provide industry-leading support to our clients.”

Mr. Brady brings more than 17 years of industry experience to his role. Prior to joining River Road, Mr. Brady served as Director, Regional Manager at AMG Funds. Additionally, he has held various business development, client servicing, and sales positions at Aston Asset Management and Deutsche Bank. Mr. Brady earned a B.B.A. in Finance and Marketing from Ohio University. Additionally, he holds Series 6, Series 7, Series 24, and Series 63 securities licenses.

***River Road Asset Management, LLC** is an institutional asset management firm based in Louisville, KY. The firm specializes in value-oriented equity investment management. With more than \$7 billion in total assets¹ (as of February 28, 2019), River Road provides institutional separate account and investment sub-advisory services to a broad range of domestic and international clients.*

River Road’s strategies are available to retail investors through mutual funds offered by AMG Funds. River Road is majority owned by Affiliated Managers Group Inc. For additional information, please visit the company’s website at www.riverroadam.com.

¹Total assets combine River Road’s (1) firm assets under management (as defined by GIPS®) and (2) model portfolio assets (no control over implementation of investment decisions and no trading authority). \$2.45 billion of total assets are model portfolio assets invested in River Road strategies. Total assets provided as supplemental information.
